SUFFIELD INDUSTRY RANGE CONTROL LTD

RANGE SAFETY CALENDAR

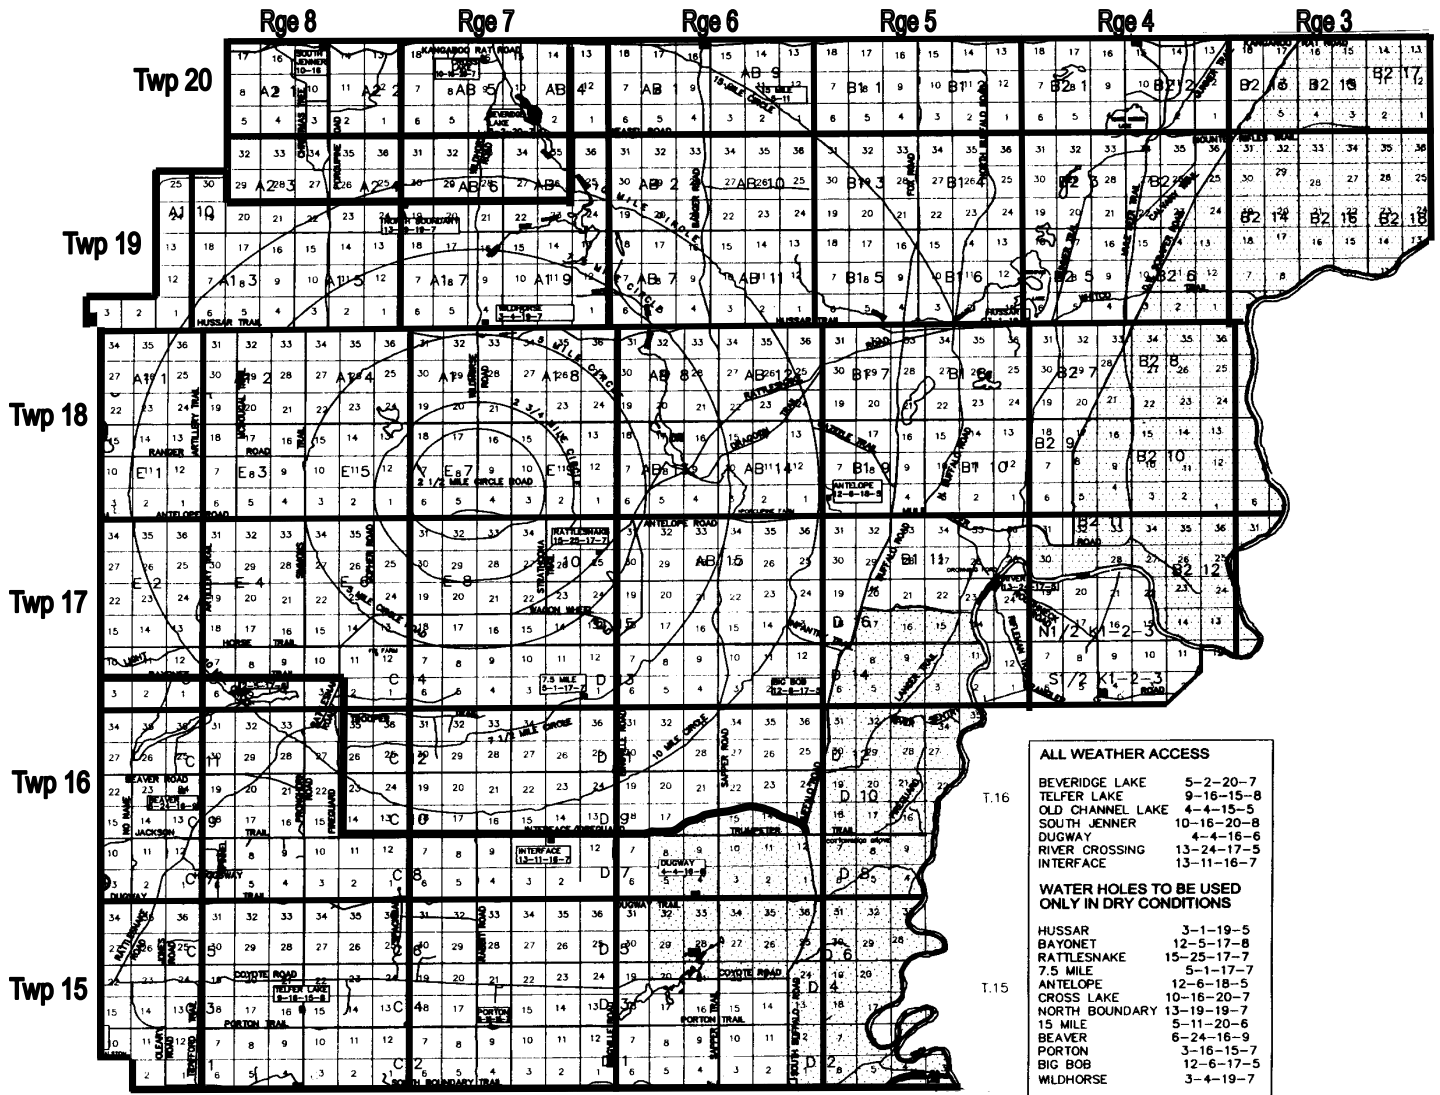

For the period 1 to 29 February 2020

1. This Range Calendar is a FORECAST ONLY and circumstances will cause variations. Range Safety will issue notification of changes to the calendar as they become known.
2. Periodically Defense Research & Development Canada (DRDC) will close portions of Areas C and/or D on short notice. On these occasions, the information will be passed to all concerned by radio and/or telephone by Range Safety (call sign "ALBERTA ZERO").
3. The Oil Access Area and the Kangaroo Rat Road on the northern edge of the Suffield Block are open to IPC/Rockpoint/Cardinal activities at all times. This road is also used extensively by military vehicles during training exercises.
4. Supervisors will ensure all personnel requiring entry to the military training area adhere to the detail promulgated in the Range Calendar. In addition, personnel wishing to enter the area will obtain radio clearance from "ALBERTA ZERO" before entering and prior to each subsequent move. They will also inform "ALBERTA ZERO" upon leaving.
5. The contents of the directive entitled "Safety at Suffield" will be read and understood by personnel prior to entering the Range.
